"In the third quarter, we generated solid net sales and profit growth largely driven by increased velocity per fridge, increased store count, and very promising early results from a new advertising campaign," said Billy Cyr, Freshpet's Chief Executive Officer. "We completed our plant expansion program in October and have also made positive improvements in quality and logistics. While we still have significant opportunities to improve our performance, we believe these marketing and manufacturing efforts will drive greater sales and efficiencies which we will leverage across our business model."

### Third Quarter 2016

Net sales increased 13.0% to \$34.5 million for the third quarter of 2016 while the Company's Fresh product offering grew 17.1%. Net sales for the quarter were driven by velocity gains and a 10.8% increase in Freshpet fridge store locations to 16,261 as of September 30, 2016, as compared to the prior year period.

Gross profit was \$15.4 million, or 44.4% as a percentage of net sales, compared to \$14.0 million, or 45.9% as a percentage of net sales, in the same period last year. For the third quarter 2016, Adjusted Gross Profit was \$17.1 million compared to \$14.7 million in the prior year and Adjusted Gross Margin was 49.6% compared to 48.1% in the prior year period. Adjusted Gross Profit is a Non-GAAP measure defined under "Non-GAAP Measures," and is reconciled to Gross Profit in the financial tables that accompany this release.

Selling, general and administrative expenses ("SG&A") were \$14.5 million compared to \$16.1 million in the same period in the prior year. As a percentage of net sales, SG&A decreased to 42.1% for the third quarter of 2016 compared to 52.5% in the third quarter of 2015. Adjusted SG&A as a percentage of net sales decreased to 40.8% compared to 46.8% in the third quarter of 2015. Adjusted SG&A is a Non-GAAP measure defined under "Non-GAAP Measures," and is reconciled to SG&A in the financial tables that accompany this release.

Net Income was \$0.6 million compared to a net loss of \$1.7 million for the same period in 2015.

Adjusted EBITDA was \$5.3 million for the third quarter of 2016, compared to \$2.3 million in the same period in 2015. Adjusted EBITDA is a Non-GAAP measure defined under "Non-GAAP Measures," and is reconciled to net earnings in the financial tables that accompany this release.

### First Nine Months of 2016

Net sales increased 15.1% to \$99.0 million compared to \$86.0 million during the first nine months of 2015. Net sales for the quarter were driven by velocity gains and the increase of Freshpet Fridge store locations.

Gross profit was \$45.2 million, or 45.6% as a percentage of net sales, compared to \$41.0 million, or 47.6% as percentage of net sales, in the same period last year. For the first nine months of 2016, Adjusted Gross Profit, which is a non-GAAP financial measure, was \$49.0 million compared to \$42.9 million in the prior year and Adjusted Gross Margin was 49.5% compared to 49.8% in the prior year.

SG&A was \$49.0 million compared to \$47.5 million in the same period last year. As a percentage of net sales, SG&A decreased to 49.4% from 55.2% in the same period last year. Adjusted SG&A as a percentage of net sales, which is a non-GAAP financial measure, decreased as a percentage of net sales to 44.8% during the nine months ended September 30, 2016 compared to 48.4% of net sales in the same period of 2015.

Net loss for the nine months ended September 30, 2016 was \$4.4 million compared to \$6.5 million in the same period of 2015.

Adjusted EBITDA, which is a Non-GAAP financial measure, was \$11.3 million for the nine months ended September 30, 2016, compared to \$7.1 million in the same period in 2015.

### Cash and Net Debt

During the nine months ended September 30, 2016, the Company generated cash of \$7.3 million from operations compared to \$5.0 million during the same period in 2015. As of September 30, 2016, the Company had cash and cash equivalents of \$3.5 million and \$30.0 million available under its \$40.0 million Credit Facilities. The \$7.8 million decrease in cash, cash equivalents and short-term investments from December 31, 2015 is primarily due to the capital expenditures related to the expansion of the Company's Freshpet Kitchens in Bethlehem, Pennsylvania, in which the Company invested \$17.4 million during 2016. A portion of the new equipment was placed in service in July, which resulted in incremental depreciation expense of \$0.5 million in the third quarter. The remainder of the new equipment will be placed in service in the fourth quarter of 2016. In order to fund the expansion, the Company borrowed \$10.0 million of its \$40.0 million Credit Facilities in the second and third quarters of 2016, and repaid \$1.0 million

by September 30, 2016. The Company expects to repay the remainder of this indebtedness by the first half of fiscal 2017.

## Outlook

For the full year ended December 31, 2016 the Company now expects the following:

- Net sales of over \$133 million, an increase of approximately 14%, compared to prior guidance of \$137 million
- Adjusted EBITDA of over \$17.5 million, an increase of approximately 58%, compared to prior guidance of \$18.5 million
- Freshpet fridges of over 16,600, an increase of approximately 10%

Based on the Company's year-to-date results and outlook for the remainder of the year, it is updating guidance for net sales and Adjusted EBITDA. This is due to lower than expected baked sales and lower than expected sales in the pet specialty channel while it is reiterating Freshpet fridge guidance.

The Company does not provide guidance for the most directly comparable GAAP measure, net income, and similarly cannot provide a reconciliation between its forecasted Adjusted EBITDA and net income metrics without unreasonable effort due to the unavailability of reliable estimates for certain items, such as non-cash gains or losses resulting from mark-to-market adjustments of warrants. These items are not within the Company's control and may vary greatly between periods and could significantly impact future financial results.

## Conference Call and Webcast

The Company will host a conference call with members of the executive management team to discuss these results with additional comments and details. The conference call is scheduled to begin at 5 p.m. ET on Tuesday, November 1, 2016. **EBITDA and Adjusted EBITDA:** EBITDA represents net loss plus depreciation and amortization, interest expense, and income tax expense, and Adjusted EBITDA represents EBITDA plus loss on disposal of equipment, plant startup expense, share-based compensation, warrant fair valuation, secondary fees, leadership transition expenses, and launch expenses.

Management believes that the non-GAAP measures, are meaningful to investors because they provide a view of the Company with respect to ongoing operating results. The non-GAAP financial measures are shown as supplemental disclosures in this release because they are widely used by the investment community for analysis and comparative evaluation and provides additional metrics to evaluate the Company's operations and, when considered with both the Company's GAAP results and the reconciliation to the most comparable GAAP measures, provides a more complete understanding of the Company's business than could be obtained absent this disclosure. The non-GAAP measures are not and should not be considered an alternative to the most comparable GAAP measures or any other figure calculated in accordance with GAAP, or as an indicator of operating performance. The Company's calculation of the non-GAAP financial measures may differ from methods used by other companies. Management believes that the non-GAAP measures are important to an understanding of the Company's overall operating results in the periods presented. The non-GAAP financial measures are not recognized in accordance with GAAP and should not be viewed as an alternative to GAAP measures of performance.
